Welcome to Music Kindergarten!

We look forward to making lots of music with your child!

This information comes in English as we have many foreign families, even in courses given in Swedish. Please let us know if you need information in other languages.

*This is our schedule for the courses starting week 10:
Week 10, 11, 12, 13, 14, 15, 17, 19, 20, 21.*

Every lesson takes 45 minutes. Our courses are not progressive, but each course will have some new aspects. As children in this age like repetitive moments it might be useful to join even the next course. Two or three children who would like to progress together can apply for “KiGa seniors” or “kompiskurs”.

Time slots: *The timeslot for your child is provided individually by mail as well as your teacher’s name and telephone number. This information will even appear on the invoice. Sometimes we adjust groupings for a good mix of ages. In some of the older groups we still have space for more children. We don’t invest in a lot of advertising – tell your friends instead!*

Teachers: *Name and telephone number will be provided on the invoice. Presentations and email addresses of the teachers are to be found on www.lundsmusiksalong.se*

How to find us: *Courses at **Möllegatan 8:** Please enter through the door downstairs from the parking place. Music Kindergarten is held in “Tonfallet”. Ring the doorbell for “Tonfallet” and your teacher will open. As soon as you come to our area we would like to see big ears, open eyes and a curious mind in a calm body. Listen through the other doors – there is music everywhere! No running or shouting in our part of the corridor, show respect for the other pupils.
Courses at **Bredgatan 25:** Find the little the garden house and entrance to the right. We ask you to leave shoes and jackets outside our rooms.*

Parents: *One adult is always welcome to be present in the classroom. You may also wait in front of the classroom.*

We ask you not to leave the building, in case your child would need your assistance during the lesson. *You don’t need to know how to play an instrument. The teacher will decide how to interact with you. Sometimes you will sing or play together, sometimes you just listen. We would like you to take the music home. Make your own diary with texts and melodies.*

No brothers or sisters, older or younger should be brought into the room. *Waiting outside in the corridor is fine for children as long as there is an adult with them at all times. At Bredgatan 25, waiting in the kitchen is allowed for adults and children together with an adult.*

Please be aware that your mobile should be off in the classroom. *You may take pictures/films, but please, ask all the others first.*

Cancel lessons: *In case your child can’t participate in a lesson we would appreciate that you let the teacher know in advance. Missed group lessons can not be replaced.*

Fee: *The course costs 1200 kr incl VAT and you will be charged by invoice.*

Interesting things to do together with your child:

Join us on our family concerts! Find the whole calendar on our webpage. May 1st we are inviting everybody to our “Musikfest” at Maria Magdalena Kyrka in Lund. Our students in all ages are preparing four different concerts at 10-12-14 and 16 o’clock with a lovely mixture of instruments and styles. The entrance is free – welcome with the whole family!

Contact: *Don’t hesitate to ask any questions or give us feedback for the courses. The best time to talk to us is in the morning, or send an email to: kindergarten@lundsmusiksalong.se*

Good luck on your journey into the wonderful world of music!

Many greetings from
