

LIMUS
Lunds Internationella Piano- och Musiksalong

Welcome to Music Kindergarten!
We look forward to make lots of music with your child!

This information comes in English as we have many foreign families, even in courses given in Swedish. Please let us know if you don't understand English.

*Schedule for the weeks. All courses
36, 37, 38, 39, 40, 41, 42, 43, 45, 46, No lesson week 45*

Every lesson takes 45 minutes. New courses start in november, week 48. Our courses are not progressive, but each course will have some new aspects. As children in this age like repetitive moments it might be useful to join even this course.. To be sure to get a place, please send us an application latest after the 5th lesson. Two or three children who would like to progress together can also apply for "KiGa seniors" or "kompiskurs"-

Time slots: *On our webpage you'll find the current timetable. Your teacher's name and telephone number is provided individually by mail and will even appear on the bill.
In some groups we still have space for 2 more children. We put no money in big advertising – tell your friends instead!*

How to find us: *Courses at **Möllegatan 8:** Please enter through the door downstairs from the parking place. Music Kindergarten is held in "Tonfallet". Ring the doorbell for "Tonfallet" and your teacher will open. As soon as you come to our area we would like to see big ears, open eyes and a curious mind in a calm body. Listen through the other doors – there is music everywhere! No running or shouting in our part of the corridor, show respect for the other pupils.*

*Courses at **Bredgatan 25:** Find the little the garden house and entrance to the right. We ask you to leave shoes and jackets outside our rooms.*

Parents: *One adult is always welcome to join the course.
You don't need to know how to play an instrument. The teacher will decide how to interact with you. Sometimes maybe you will sing/play together. Sometimes you just listen.
We would like you to take the music home. Make your own diary with texts and melodies.
No brothers or sisters, older or younger should be brought into the room.
Waiting outside in the corridor is fine as long there is an adult together with the child.
At Bredgatan 25, waiting in the kitchen is allowed together with an adult.*

Cancel lessons: *In case your child can't participate in a lesson we would appreciate that you let the teacher know in advance. Missed group lessons can not be replaced.*

Fee: *The course costs 900kr incl VAT and you will be charged by invoice within a few days.*

Interesting things to do together with your child:

*- Saturday 19th sept: concert for the whole family at Stadshallen. Time: 11.00 and 12.10
- Monday 16th of nov our **MUSIKSAGA** will be given at Helgeands församlingshem for other preschool children. Time: 10.00. Try to be free from your work this morning!
Some of your kids will participate and I hope all children will come with their parents to listen.
We perform this Musiksaga every year – so it is great to listen first and participate next year!
Training for those who are participating is on Sunday the 8th and Sunday 15th of November.*

Contact: *Always feel welcome to ask any question or to give us feedback for the courses.
The best time to talk to us is in the morning, or just email kindergarten@lundsmusiksalong.se*

Good luck on your journey into the wonderful world of music!
