

**Welcome to Music Kindergarten!**  
**We look forward to making lots of music with your child!**

This information comes in English as we have many foreign families, even in courses given in Swedish. Please let us know if you need information in other languages.

This is our schedule for the courses starting in March:

**Fridays Pianolek:** 10, 11, 12, 13, 14, 16, 17, 19, 20, 21. *No lessons week 15 and week 18.*

**Other classes:** 10, 11, 12, 13, 14, 16, 17, 18, 19, 20. *No lessons week 15.*

Every lesson lasts 45 minutes. Our courses are not progressive, but each course will have some new aspects. As children in this age like repetitive moments it might be useful to join even the next course. Two children who would like to progress together can apply from the age of 6 for "kompiskurs"- line 2d.

**Time slots:** The timeslot for your child is provided individually by mail as well as your teacher's name and telephone number. This information will also appear on the invoice. Sometimes we adjust groupings for a good mix of ages. In some of the older groups we still have space for more children. We don't invest in a lot of advertising – tell your friends instead!

**Teachers:** Name and telephone number will be provided on the invoice.

Presentations and email addresses of the teachers are to be found on [www.lundsmusiksalong.se](http://www.lundsmusiksalong.se)

**How to behave:** We ask you kindly to leave shoes and jackets outside the teaching rooms. Strollers/prams are not allowed at all inside the houses.

**Parents:** One adults' presence is required when attending courses Babies/Toddlers/Parents in Tune. In the other courses one adult is always welcome to be present in the classroom, but you may also wait outside.

**We ask you not to leave the building, in case your child would need your assistance during the lesson.**

You don't need to know how to play an instrument. The teacher will decide how to interact with you.

Sometimes you will sing or play together, sometimes you just listen. We would like you to take the music home. Make your own diary with texts and melodies.

Arrive in time! 10 minutes before start of the lesson is suitable. Prepare your child for a focused start.

**Please be aware that your mobile must be off in the classroom. Taking pictures/filming during class is prohibited unless permission has been granted by all participants and the teacher!**

**Siblings:** Brothers or sisters, older or younger, only can be brought into the room when in right age and signed up for the class. Otherwise they must wait outside with an adult present at all time.

**Cancel lessons:** In case your child can't participate in a lesson we would appreciate if you let the teacher know in advance. Missed group lessons can not be replaced.

**Fee:** The course will be charged by invoice, which will be sent by mail during week 10-11.
