"The unreal live ABRSM exams – ulABRSM"

2021-01-20

Spring 2021 – Exams are an important guidepost for our students. As already in 2020, 'this spring the Corona Virus again prohibits ABRSM exams in real life with the specialists from England. Therefore, LIMUS and MoV will now arrange "The unreal live ABRSM exams - ulABRSM". We address mainly our own students and members of MoV. External candidates can be admitted when time slots are available.

Background: With 20 years of experience with the ABRSM exams and a highly qualified teachers crew (also teachers with the ABRSM diploma + the LRSM) we feel confident to offer our students the most important impacts of an exam: a good goal to strive for, a real live performance on the exam day and supportive live feedback for further work. Keep on track and go for the next level in 2022!

The requirements: We will ask for all standard requirements. Please use the current syllabus for your instrument. In piano, you are allowed to choose between the syllabus 2019/2020 and 2021/2022. Please note that you are NOT allowed to mix from different syllabus. You are requested to use the original books, no copies! At the exam we will follow all the usual rules.

The examiner/examiners team: We will invite one or more external professionals from our region and make up with one or more of our own ABRSM – teachers. Be prepared for a highly qualified board in the footsteps of honest and supportive judging.

The diploma: Of course you will NOT get the real ABRSM diploma. We will design a LIMUS diploma which will certify the candidates name, instrument, level and result. Results are not negotiable. The board also provides a short talk to teacher and student together in the end of the exam day.
