

Welcome to Music Kindergarten courses!
We look forward to making lots of music with your child!

This information comes in English as we have many foreign families, even in courses given in Swedish. Please let us know if you need information in other languages.

This is our schedule for the courses starting in March:

Week: 10, 11, 12, 13, 14, 16, 17, 18, 19, 20. No lessons week 15.

Every lesson lasts 45 minutes. Our courses are not progressive, but each course will have some new aspects. As children in this age like repetitive moments it might be useful to join even the next course. Two children who would like to progress together can apply from the age of 6 for "kompiskurs" - line 2d.

Time slots: *The timeslot for your child is provided individually by email as well as your teacher's name and telephone number. This information will also appear on the invoice. In some of the older groups we still have space for more children. Tell your friends!*

Teachers: *Name and telephone number for your teacher will be provided by email and on the invoice. Presentations and email addresses of the teachers are also provided on www.lundsmusiksalong.se*

Communication: *The parent who registered the child is the contact person who will receive all the information concerning the class. The contact parent is responsible to communicate with the other parent/other adults about lessons and rules at school.*

How to behave: *We ask you kindly to leave jackets and shoes nicely stored in the shelves at the entrance. Please avoid a "sea of shoes" at the door. Strollers/prams are not allowed at all inside the houses. No shouting and running in the corridor. Try the "big ears": there is music in progress in every room ☺*

Covid -19 is still a risk. Everybody who enters our house must carefully wash his/her hands with soap and use disinfectant afterwards. Children which are feverish, have a runny nose or a severe cough are not allowed to come to the lesson. Parents are not allowed to wait inside the house in the corridor. Please, remain outside the house and switch on your mobile phone in case the teacher needs to reach you urgently.

Late arrivals: *we cannot guarantee that there is someone to open for you if you are coming after the lesson has started.*

Bad days: *Young children can have a bad day. If we notice that a child is unable to assimilate the content of the lesson, ignores the teacher or disturbs the other children, we may ask a parent to pick it up before the end of the lesson. We will then follow up with a phone call the next day or even invite the parents for a meeting.*

Cancel lessons: *In case your child can't participate in a lesson we would appreciate if you let the teacher know in advance. Missed group lessons can not be replaced.*

Fee: *The course will be charged by invoice, which will be sent by mail week 11 at the latest.*

Contact: *Feel always welcome to ask any questions or give us feedback on the courses. But please don't take this dialogue when the teacher is occupied – this is not just when having lesson, it is also before and after. Instead, you may book a call with the teacher or the administration at kindergarten@lundsmusiksalong.se The best time to talk to us is in the morning. You may also send us an e-mail.*

Interesting things to do together with your child:

Join us on our family concerts! On the 7th and 8th of May students from LIMUS will give several concerts. Find our concert calendar on www.lundsmusiksalong.se.

Also in May our famous Musiksaga finally will have a comeback! All our students 5-6 yrs are invited to participate, the younger will listen. More information will be provided during your course.

Good luck on your journey into the wonderful world of music!

Many greetings from
